

The Dominican Republic and the United States: a relationship beyond tourism

The Dominican Republic and the United States: A relationship beyond tourism

The Dominican Republic is proud to present a brief summary that illustrates the long and strong relationship with the United States, seen from the tourism perspective, but encompassing the investment and partnership opportunities that have yet to be exploited.

The figures that will be presented below reflect the main tourism statistics such as tourist arrivals from the United States, their average stay, main ports of departure from the United States, main reason for travel, characteristics of American tourists, and air traffic among our countries, as well as figures on trade and investment.

We hope to continue strengthening our relationship in the future, a relationship beyond tourism.
